Mentor Senior Center welcomes our new staff members.

Karen Hinton has recently joined our front desk staff with many years of Office Administration experience. Her out of office interests are reading, hiking the local parks, traveling and spending time with her 5 children and 7 grandchildren at their campsite on weekends. Karen says cooking is not among her many talents, she leaves that to her husband Sam, who just happens to be our morning custodian.

Ginny Mancini has been a student of art here at Mentor Senior Center for over 25 years and has just transitioned into the role of instructor of All Media Painting. Art is a big part of Ginny's pastime. She paints on location at Marblehead every week, displays her work in shows, competitions and festivals. Visits to Florida and living on the lake in Willoughby provide her inspiration as well.

Instant Pot/Pressure Cooker Demonstration

I have one sitting on the counter, I'm afraid to get burned, I don't know what the buttons mean. These are all things that one might say about that shiny metal cooking gadget some of us have. And truth be told, they are a little scary. LaDonna from Let's Cook will take away some of that uneasiness while she shows us how to use those Instant Pots. During this demo attendees will learn the basics in how to use their Instant Pot as a pressure cooker in a safe way to make versatile meals that everyone can enjoy. Make sure you come hungry and ready to sample.

Join this monthly meeting where members will all borrow the same cookbook to try for a month. At the next meeting members will return their book and bring a dish from the book to share in a potluck lunch. During the lunch members will chat about what we liked or didn't like about the book as well as any other recipes they may have tried during the month. At the end of the meeting we will receive the book for the next month. We meet the third Monday of each month (fourth Monday in January and February due to the holiday).
